Dear Sir:-

We are today in receipt of a letter from Mr. Theodore T. Belote of the U. S. National Museum, Washington, enclosing an example of the Medaille de la Reconnaissance Langroise which he informs us was left with him by you for transmission as a gift to the American Numismatic Society. Thank you very much indeed for your generous thought for our collection. I trust that you will some day give us the pleasure of welcoming you at our Museum and of having you examine our large collectionsof war medals and decorations. To these, your gift is a very welcome addition.

Very truly yours,

Secretary.
